

Montisola

Montisola is the largest lake island in Europe with a coastal perimeter measuring 11 kilometers and 12 historic centres: the capital Sivia-
no, Carzano, Masse, Cure, Menzino, Novale, Olzano, Peschiera Mara-
glia, Porto di Siviano, Sensole, Senzano, Sinchignano. Cars are not
allowed on Montisola, the only way to visit the island is by bicycle or
bus.

Isola di Loreto

North of Montisola is the privately owned Island of Loreto. In 1400
a convent was built for the nuns of S. Chiara. Today, there is a
beautiful neo-Gothic castle with a coniferous park and marina.

Isola di San Paolo

The island of San Paolo is located south of Montisola. The island is
privately owned. Here lived fishermen, monks, nobles. It is said that
a very large convent was built there, but in 1700, when the island
became private property, the convent and the church were razed to
the ground. In 1912 it was bought by the Basilio family who built a
large villa there.

La Franciacorta

Located a few steps from Brescia and Lake Iseo, Franciacorta is an
area famous for the production of the wine of the same name, the
Franciacorta DOCG. Not only that: splendid hills, cultural and histo-
rical sites, relaxation in nature, opportunities for sport and enter-
tainment make the Franciacorta area a real discovery for many
tourists who arrive here for the first time.
